EDITOR'S LETTER

I was going to use this letter to celebrate England's triumph in the Cricket World Cup, but before I'd made a start reality kicked in with that Ashes pasting in Brum. Still if Joe Root and the boys might be world beaters one minute and clueless duffers the next, at least there are some things that can be relied upon to deliver time and again. Ahem, yes, I mean *Mayfair*, and with sizzling newbie Serenity joining favourites like Amy Green, Holly Gibbons and Samantha Alexandra, we're sure you'll be bowled over quicker than an England opener!

BISTRO BEST!

Dear *Mayfair*,

I've lived in the same place all my life and I'm content here. I've had the same friends since school, I go to the same pub I always have and I've had the same job for the last 10 years. My job is usually quite boring but a few months ago, it became slightly more interesting and enjoyable.

I'm a cook at a small café-restaurant – the type of place that does basic grub at lunchtime and more fancy stuff in the evening, so I usually shut for a few hours at about 3:00pm so I can prep the night's ingredients and have a bit of a break.

One particular day, I was about to close after lunch when Charli, a regular, turned up with a mate of hers, Martha.

**A LEG WRAPPED ROUND
MY WAIST TO OPEN
HER RIGHT UP AS MY
PRICK SLID IN.**

Charli's one of those bottle blondes who'd look a bit dirty even if she was wearing a duffel coat, while Martha – in skinny jeans and a little pink fleece – was petite with that butter-wouldn't-melt look. I knew Charli quite well as she hung around the café most days. So when Charli begged me to let them have something quick to eat, I thought better of losing a valued customer, and I said they could have a 'lock-in', and I'd sort them out with a sandwich.

Martha gave a bit of a dirty giggle, saying she could "right go for a sandwich", and Charli chipped in with a comment about "baps and a meaty filling". I ignored this, not really knowing how to respond, to be honest, and carried on providing them with some scram. I gave them some of my special homemade bread rolls, flavoured with herbs, and Martha made some crack to Charli about "dill bread being made from dill dough". She had a dirty little mind on her for someone who looked so sweet!

"Are you insulting his baking now?" Charli said, mock-horrified. She then announced loudly that Martha should

suck me off to apologise. I was a little embarrassed and my instinct was to hide in the back of the café, but I stood my ground, grinning as I tidied the counter. I knew it was just banter, but I was pretty horny and they seemed like they might be up for it.

We flirted for a while longer – their language getting cruder and cruder until, eventually, Charli said blatantly, "Why don't you take us out the back for a good shagging?"

I wasn't about to argue – in fact, I could not think of a single thing to say! We simply made our way into the kitchen for privacy, me leading the way, the girls pouncing on me as soon as the door swung closed behind us and starting to strip me off.

I was semi-hard, so my cock looked nice and big when the girls got their first sight of it. Martha pretty much fell on it, dropping to her knees and wanking it to stiffness, then she had a good lap at my helmet before taking it in her mouth.

Meanwhile Charli was stripping off. Martha wasn't going to loosen her grip on my tackle, so Charli had to undress her too, down to her little white-and-pink-striped socks and trainers.

When Martha finally came up for air, she smacked her lips and said "Delicious!" Compliments to the chef or what?

There's a big, island

NIPPLE EFFECT

Dear *Mayfair*,

Wow – those pictures you printed of Kayden Kross were simply sensational, and you were dead right to point out that she could be recognised solely by her magnificent nipples!

I've been a massive fan of Kayden's ever since she was a saucy starlet 10 years or so ago, but I don't think her nipples were quite as prominent as that back then. In fact I'm sure they weren't, having just checked back through my stash of Kayden-related material, so I want to know what could have possibly happened to make them such organ-stops now. Surely you can't have them augmented, can you?! If you can throw any light on this I'd be most grateful!

Dave, King's Lynn.

Yes Dave, we were wondering about that as well. We reckon it's something to do with having had a kid (yes – I know, and she still looks like that!) a few years ago, in which case all we can say is what a lucky tot! – Ed.

NEWBIE PRIZE!

Dear Mayfair,

Over the years you've featured some incredible girls, but it's not often they make it onto the cover and the centrespread with their very first appearance like the luscious Rosa did in your latest issue. Personally, I think the honour was totally deserved – what an utter babe she is, and I can't wait to see plenty more of her in *Mayfair* from now on. Please do let her know that all your readers are full of admiration for your models and I'd like to wish her well in her modelling career!

Alan, Harlow.

Thanks Alan - and everyone else who wrote in to welcome Rosa's first appearance in the mag! We very much hope we'll be having a long and fruitful relationship with her going forward - Ed.

work surface in the kitchen, separate from the appliances, and I got on it, with Martha joining me in a 69, though she was doing all the sucking. There wasn't much room for Charli, but she leaned over, tits swinging in my face, to finger Martha's arsehole.

This distracted Martha from the job in hand – or mouth. As she got closer to coming, she drifted away from my dick, so I asked her did she want to screw instead. Truth is, nice though her mouth felt around it, I wanted it inside her snatch even more.

Next thing, I had her squatting over my cock, feet braced on the work surface so she could bounce up and down. Meanwhile, Charli had moved round to lick her arse cheeks, before dipping her head to give my plums the same treatment. I slowed my pace so she could lick the cunnny-cream from my shaft when I pulled out of her mate. She even caught hold of my dick a couple of times so she could eat the juices off it. But, being a good mate, she always stuffed it back in Martha's hole. Soon, though, we didn't want any more messing about – I slammed in to the hilt and let her grind away. But, as I felt myself get closer

to climaxing, I pulled out.

Cute though Martha was, I'd really always fancied a crack at Charli. I slithered down off the work-surface and leaned back against it, and got her to stand in front of me, a leg wrapped round my waist to open herself right up as my prick slid in. As I found a steady rhythm, Charli kept on moaning for me to go faster – not the easiest thing in that position. So I took the easy option, bending her over the counter, lifting her leg again to open her up.

Martha wasn't just going to sit quietly – her hands were all over her mate's arse, groping and feeling. She seemed to get a bit bored of this though, and she began to wank my cock in and out of Charli's hole. This got me so horny that I grabbed two handfuls of Charli's cheeks and banged into her as hard and fast as I could. Martha was licking her lips, a hand jammed in between her thighs. Then she shut her eyes and shuddered.

Charli was coming too, and as soon as I felt her muscles begin to contract I let rip and shot a few jets of creamy hot spunk inside her. But I wasn't going to deny Martha her share and as I pulled out, sticky ropes shot out of my tip, which she instantly took in her mouth. She sucked me till I was totally dry, then turned her attentions to eating the rest of my load out of Charli's snatch. I actually couldn't watch them for long – my cock felt so raw from coming.

They helped me clean the kitchen up after we'd finished – which was nice of them – and I know they'll be back for more – of everything! I heard Martha say to Charli as they left the cafe, "He's a catch isn't he? Big dick – and he can cook!" So she certainly knows which side her bread's buttered!

DORA THE SEXPLORER

Dear Mayfair,

Ever since I can remember I've always had a thing for older women – women in their thirties or forties who might be willing to share their years of sexual experience with a younger stud, so when Dora, my sexy neighbour, hit on me I was absolutely delighted. Dora was everything I was looking for – single, sophisticated and on the prowl for younger meat. She caught me looking at her tits and bum a couple of times as we gathered for drinks and that was all it took. She sat opposite me as we took our seats for the swanky meal we were having, courtesy of my parents' wedding anniversary, and she flashed me a smile as she caught me looking at her cleavage again. Ten seconds later, I felt something brush against my foot. Dora gave me her best innocent look – which was still pretty filthy.

"Stop it," I mouthed across the table.

"Stop what?" she mouthed back. Her stockinged foot had traced its way up my shin, past my knee and was sliding along my inner thigh. I whimpered as it pressed against my crotch. Dora looked into my eyes and took a sip from her glass of wine as her toes spread around the expanding shaft of my cock. We shared a naughty smile as she realised that she was giving me an erection. I thought that she might stop, but instead she pressed harder and started rubbing. I've not got a foot fetish or anything, but it felt pretty damn amazing as her toes curled around the top of my cock and ground it against my belly. My whole body got hotter and hotter, not just my cock. As the waiter took my order, Dora's caressing foot seemed to have set me on fire and I could barely talk as my cock strained against the bounds of my underwear.

"I think I need to stretch my... legs," she said. I choked on my drink as she pressed her foot hard against my groin before excusing herself from the table. "Perhaps you'd like to join me, Gavin?"

I was still coughing as I pushed back my chair. I'd never had the opportunity to try quickie sex, but it was obvious that it was on the cards with Dora. I had no idea how or where or indeed what was going to happen as her hand squeezed my cock. That is the advantage of the more experienced woman – she was in charge.

Dora dragged me to the nearest loo and pulled the cleaning cart from across the corridor to block the door behind us. It was my first time in a Ladies' loo, but I had no time to linger as

Oh, we love it when we unearth an enticing British newbie – especially if they’ve got a penchant for getting dolled up in classy lingerie, so allow us to introduce Serenity, a Sussex-born cutie who looks to have everything it takes to become an established *Mayfair* favourite in no time at all!

“Why thank you! I thought you might like this outfit! I spent ages trying to decide what to wear for my first *Mayfair* shoot, and in the end I couldn’t think of anything better than this, although if you ask me back I’ll promise to track down some other saucy combos!”

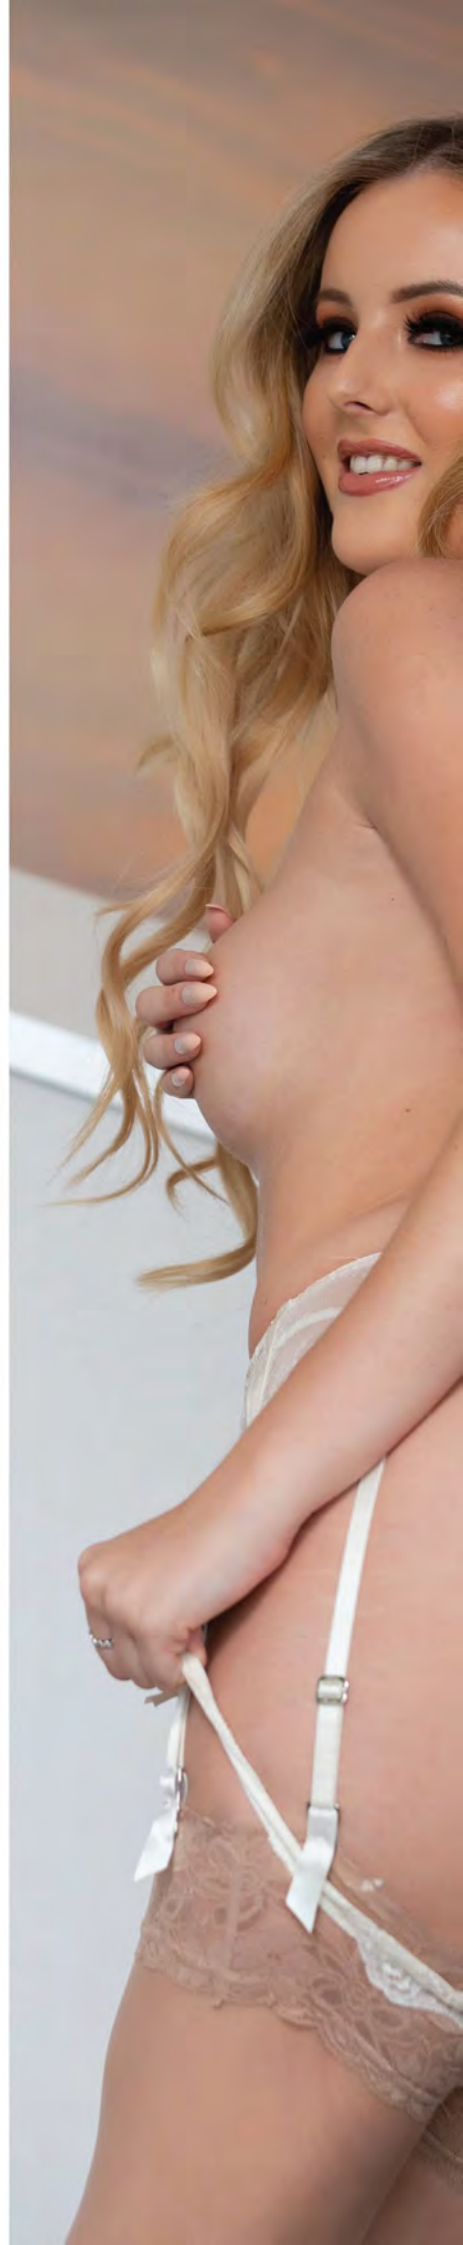

Well that’s a deal then - see you soon!

Dora pulled me into a stall and bolted the door. Her eyes were shiny with desire; mine were no doubt wide with a mixture of surprise and gratitude. She kissed me, and as her mouth moved over mine, she was busy loosening my belt.

"I can't wait for my starter," she purred. I was almost frozen with shock as her hand reached into my boxers and gripped my cock. "I want to suck it," she said.

"Oh God!" I groaned as my underwear disappeared down my legs and my cock bounced free. She dropped to her knees and studied my cock from close range as it hung there, pulsing with need. Dora looked into my eyes as she leant forward and kissed the very tip. What she was doing became more than a kiss as her lips parted and her head moved forward. My foreskin caught as her teeth expertly grazed my flesh and every part of my

most sensitive flesh was exposed to the soft delights of her mouth. It was my first hands-free blow-job and my whole body tingled as she snaked her tongue around the crown of my cock, all the while looking up into my eyes.

No other woman had controlled me like that. My hands pressed against the sides of the cubicle as my head swam.

"Oh fuck," I sighed happily as Dora's head moved further forward and her hands slid up my inner thighs and closed around my bollocks. Her soft mouth slid up and down my shaft and she massaged my balls as she gave me the most wonderful blow-job of my life.

I could feel the pressure mounting already.

Dora pulled back, exposing the whole of my spit-shiny cock.

"Do you want to come in my mouth, or do you want to fuck me?" Dora asked.

My mind filled with filthy images. "Fuck!" The look of want and need returned to Dora's eyes.

"Undo me," she purred, turning her back to me. The first thing that I noticed was that there was no bra strap. The only underwear was a pair of pretty lace panties. I wanted her to turn round so that I could see her tits, but instead she kept her back to me as she slid the dress over her hips and hung it on the back of the door. As I looked down, my cock and Dora's panty-clad bum were in the same shot. And then she pulled her panties down. It happened in super-slow motion. I had a perfect view of her bum and the split peach of her pussy as she stepped out of her underwear. My eyes bulged and my cock throbbed. She was naked.

"How do you want me?" Dora was pretending to be all sweet innocence. My body screamed and I simply took a step forward and placed my hands on her hips. My cock disappeared between her legs and I felt Dora guide it home. Something wonderfully smooth and slippery gripped my cock. Dora gasped and I grunted as our bodies pushed together. It was even better than her mouth. I pushed in, and Dora pushed back again and again. "Fuck me, Gav. Just fuck me!" To hear her made my balls tighten. It had been a fantasy – now I was inside her and she was begging me to fuck her.

I steadied myself and carefully slid my cock in and out of her pussy. My strokes built until my stomach was slapping Dora's bottom with door-rattling passion. Every gasp and grunt seemed to be amplified and the need to come suddenly increased the urgency of my thrusts. I was so close but realised that our encounter might end abruptly if I came. I backed off and guided Dora down onto my lap as I sat on the toilet lid. Dora sank down on my cock with her legs spread either side of mine. She sighed as my knees forced legs wider and my hands slid up from her hips to her tits. I took two handfuls and squeezed. "You've got great tits," Dora giggled and I felt her pussy tighten.

"They're not as perky as they used to be," she pointed out.

"Still fun, though," Dora sighed again.

"Well, when you put it like that," she said, and I felt her body relax. Her hips were rolling with my cock buried fully inside her pussy. I slid my hand down and rubbed, finding a spot which made her groan.

"Mmmm, that's nice," she said dreamily. I could feel her body tightening and the breath catching in her chest. "You're going to make me come." The tightening turned into spasms which were accompanied by a shrill sigh of ecstasy.

"Wow!" Dora said as she recovered herself. "How's about you give me a little spunk starter?"

I remained where I was sitting but grinned as I finally got a full-frontal view of my naughty neighbour. She really wanted my spunk – and I wanted to give it to her. She used both hands and her mouth this time – she sucked and licked my cock and when it wasn't in her mouth, she was stroking vigorously. I didn't say a word

OH NATUREL!

Dear Mayfair,

I know it's not so easy to find model who are still sporting the boobs God have them these days, but as a reader from the old school may I say what a delight it was to feast my eyes on four models this issue who'd decided to play with the hand life dealt them, whether that be fulsomely magnificent in the cases of Brookie and Lucy, or more pert and perky in the cases of Rosa and Megan! From a strictly personal point of view, I have to say Brookie's ladybumps are the perfect proportion – a pair that aren't preposterously big or anything, but fulsome enough to hang perfectly or, come the winter, act as the perfect ear-warmers!

Please let's have plenty more natural boobs in your august organ.

Keith, Flitwick.

as she confidently guided me towards my orgasm. It was the most amazing sensation, made all the better by the fact that I knew that my neighbour was going to swallow my load. I just hoped that I had enough to satisfy her.

Dora felt my cock swell and looked up into my eyes just before the first spurt fired into her mouth. I grunted as she milked every drop of seed from me while simultaneously maximising my pleasure and she didn't stop until my cock started to re-inflate in her mouth. I was fully hard by the time the dress was back in place.

"Don't worry Hon," Dora said, picking up on my thoughts. "I've seen your dessert menu – and I'm on it." I'm not normally a dessert man but for Dora, I was happy to make an exception.

Gavin, Chichester.

How better could you possibly adorn a feature staircase than with a svelte beauty like Jessie here, who clearly knows exactly what effect a shapely bum can have on a red-blooded male...

"Well if you've got it, flaunt it, that's what I say! I've been told loads of time that I've got a really nice little bum, and why would anyone lie about a thing like that, so I love wearing outfits that show as much of it off as I can! I've got Brazilian ancestry, after all, and if the Brazilians know anything about anything, it's about what constitutes a fine booty!"

HIVE ACTIVE HEATING 2

Fed up with living in your tired old 'daft' home? Well I don't blame you – this is 2019, after all, and while we haven't quite got round to wearing tinfoil suits or flying about in jet cars, we have at least nudged our way into the era of the smart home, so even if our politicians don't seem to know what they're doing any more, at least our fridges, toasters and kettles are all getting more intelligent. Umm, but before you worry about getting smart kit in the kitchen, almost certainly the most sensible piece of smart kit your gaff could do with is something that can take care of your heating, hot water and lots of other stuff – just like this does! In its very purest element, the Hive Active Heating 2 is a simple thermostat, which you turn to the right if you want it warmer, and to the left if... ah, you're already with me. Good! It's sleek looking and does the job nicely enough, and if you're feeling especially tech savvy there are also a few buttons which will variously give your temperature a temporary boost, set a frost prevention function (does anyone actually use these?) and add a child lock, which is handy not only if you've got sprogs, but also if you've got one of those wives who don't seem to be able to get comfortable without cranking things up to sub-tropical levels of ambient heat. But the thing is, once you've installed the Hive app, you won't even have to go to the bother of turning the dial, because for starters you'll be able to set up a week's schedule for your heating on the phone, and then, if you use the geolocation option, the blimmin' thing will even turn your heating on just before you get home – or let you know when you've left it on and you're out. That's a pretty nifty way to cut your heating costs. If you want it hooked up to your hot water as well as just the central heating you'll need to have it professional installed (by British Gas), but that's all taken care of in the price you pay. And once you're Hive-d up you can add other smart devices as well in the form of lightbulbs (with dimmable and colour changing options), plugs and a motion sensor, so you can see if someone's used your toilet without flushing. No, wait, not that sort of motion. Very handy if you're worried about sly adultery or burglars, though!

LG LED NANOCELL 4K ULTRA HD SMART TV

Tellies have come along a fair bit in the last few years, haven't they? Not so long ago we all made do with chunky cathode-ray tube models that was just as deep as they were wide, and then along came LCD and plasma models that meant you could get whopping screens without too much of the depth eating into your living room. Well plasma's now long gone and forgotten, and we've moved beyond the LCD stage to the era of LED and the OLED, and then just when you think you've got a handle on that, someone throws a whole new terminology into the equation, as LG do here with their 'NanoCell' technology. And what is that, prey tell? Well, it means that each pixel – and this is a 4K set, which makes it about 4 times better than your standard HD, telly so there are plenty of them – is a mere nanometer away from its neighbour. That's a billionth of a meter in case you were wondering, which is, well, pretty bloody close. This tight packing of the pixels means the pictures is pretty bloody spectacular, and can be viewed from any conceivable angle (bar the back!) without losing definition. A combination of Cinema HDR and Local Dimming technology combine to ensure that black are blacker and whites whiter than at any time in human history (outside of real life, that is), although the chances that you'd bother watching anything much in black and white on this are probably slimmer than the telly itself. Even the sound, which can often be a bit feeble with flat screen tellies, is given an impressive oomph thanks to the Dolby Atmos Sound. Smart, with Freeview and voice control, this is a damned swish piece of kit.

A man is caught speeding down the motorway at 100mph and is stopped by a policeman who asks him to get out of his car and walk straight down the middle white line in the road.

Doing as the policeman says, the man does get out his car and attempts to walk down the line.

The policeman stops him and says, "I'm afraid I'm going to have to arrest you,

"I went to a large green field shaped like a meteorite crater. Around the edges, several thousand worshippers gathered. Then two priests walked to the centre of the field to a rectangular area and hammer six spears into the

ground, three at each end. Then eleven more priests walk out, clad in white robes. Then two high priests wielding clubs walk to the centre and one of the other priests starts throwing a red orb at the ones with the clubs."

"Wow," replied the other alien, "what happens next?"
"Then it begins to rain."

A wife was in the kitchen boiling eggs for breakfast when her husband walks in and asks, "What's for breakfast?"

She turns to him and says, "I want you to make love to me this very moment."

He, thinking it's his lucky day, stands her over the kitchen table and they have sex. Afterwards he asks, "What was that all about?"

She answers, "The egg timer's broken."

A couple are having an argument. The husband yells, "When you die, I'm

"Yeah?" she replies. "Well when you die, I'm getting you a headstone that reads, 'Here Lies My Husband - Stiff At Last'."

A man goes to his doctor for a complete check-up. He hasn't been feeling well and wants to find out what's actually wrong with him. After the check-up the doctor comes out with the results of the examination.

"I'm afraid I have some bad news. You're dying and you don't have much time," the doctor says.

"Oh no, that's terrible. How long have I got?" the man asks.

"10..." says the doctor.

"10? 10 what? Years? Months? Weeks? What?!" he asks desperately.

Then the 90-year-old spoke up: "Every morning at 7am sharp, I have a healthy piss. And every morning at 7.30am like clockwork, I take a solid shit. You know, just once I wish I could wake up before 8am."

knowing that if she accepts it, she is his for the entire night.

The waiter gets the bottle and quickly sends it over to the woman saying this is from the gentleman at a nearby table. She looks at the man, then at the wine and decides to send a note over to the man. The note read: "For me to accept this bottle, you need to have a Mercedes in your garage, a million pounds in the bank, and nine inches in your pants."

The man, after reading this note, sends another note to her. It read: "Just so you know, I happen to have a Ferrari Testarossa, a BMW, and a Mercedes in my garage; plus I have over twenty-million pounds in the bank. But, not even for a woman as beautiful as you are, would I cut three inches off my dick - just send the wine back."

As her chosen model name suggests all too clearly, Nathaly Cherie's got something of a soft spot for France. But was it the baguettes, the gauloises ciggies or the cheap plonk that most tickles her fancy about the place?

"It's none of those things. Maybe croissants a bit, but mostly it's the French people and their attitudes to sex! I spent a year there when I was a student and it was a real eye-opener for me! I got up to all sorts of fun with boys and girls that I'd never even dreamed of back home. And I've been trying to carry on that liberated philosophy ever since!"

Photographer: BBM

□ □ □ □ □ □ □ □

Wondering how the South Coast sensation that is Holly Gibbons manages to maintain her spectacular form? It turns out that as well as thrilling *Mayfair* readers with her regular appearances, she likes to keep herself busy by being a fitness instructor. But it's not boring old pilates or zumba that her classes learn – no, it's the altogether more stimulating Pole and Aerial Hoop techniques that she teaches! So, Holly, are there loads of women round your way treating their fellas to sexy pole and aerial routines thanks to your instruction?

“It's more for their own health and fulfilment, you know!” she insists.

Fair enough. Still, phwoar, eh?!

SCENE from MAYFAIR

On the lookout for some quality viewing pleasure this month? Then luckily for you we've got a trio of top notch new releases that should get the job done!

DON'T LOOK NOW

The history of cinema contains a selection of films that permanently burn themselves onto your consciousness, and Nicolas Roeg had a knack for making them; *The Man Who Fell To Earth* and *Walkabout* are both in that camp, but it's the film he made between those two – 1973's *Don't Look Now* – that remains his most memorable contribution. Based on a Daphne du Maurier short story, it's the tale of a couple (Donald Sutherland and Julie Christie) who, following the tragic death of their young daughter in a drowning accident, find themselves in Venice. But there's something deeply unsettling going on in the city, with a serial killer on the loose and occasional glimpses of what looks like their dead daughter spotted in the streets of the decaying city. The film is a visual feast, and this stunning 4K remastering (overseen by original cinematographer Tony Richmond) complete with loads of bonus material, is a cinephile's wet dream – especially the staggeringly comprehensive collector's edition.

YEAR OF THE RABBIT

Matt Berry (not the Ed) worked his way into the public consciousness largely thanks to *The IT Crowd* and his voiceovers, which he's gleefully mocked in *Toast of London*, but all of a sudden he finds himself in not one but two comedy series that are attracting quite a bit of interest. *What We Do In The Shadows* has shown recently on the Beeb (no sign of a DVD release for that yet, for some reason), while on Channel 4 viewers with a penchant for Berry's brand of off the wall, potty-mouthed comedy have been treated to this one. Set in Victorian London, it's a kind of free-wheeling riff on *Ripper Street*, with nods to Sherlock Holmes and more modern cop dramas, which sees Berry – accompanied by Susan Wokoma and Freddie Fox – grappling with all sorts of Victorian tropes. Brilliantly daft.

THE COCKLESHELL HEROES

We appear to be living through a bit of a golden age when it comes to the release of classic war movies that have lain dormant for many a moon but which definitely deserve to see the light of day again. This 1955 offering from Director José Ferrer (who also stars) tells the true story of Operation Frankton, which in 1942 saw a team of commandos paddling specially adapted canoes right into the port of Nazi controlled Bordeaux in order to attach the ships harboured there with limpet mines. It was a mission of breathtaking daring, and sadly one that was to take a very heavy toll on the brave men involved, with 8 out of 10 losing their lives. Indomitable Trevor Howard leads the raid, with other British favourites like Christopher Lee and David Lodge making this stirring Sunday afternoon fodder of the highest order.

■■■■■■■■

At 5'9", Derbyshire hottie Samantha Alexandra's certainly got a pretty nifty pair of pins on her! They're perfectly suited to a nice pair of stockings, and you can't help thinking she's know it, too...

"Ha, yes! I'm actually a little obsessed with legs, so I'm certainly not complaining that mine are on the long side. I love the feel of silky stockings as I roll them up, and I love getting fellas down on their hands and knees to roll them down again when the time comes!"

That sounds like the sort of treat few men would turn their noses up at!

"I guess not, but if they did I'd rub my pussy against it!"

GAZONGAS 2

Blimey! When was the last time you heard the word 'Gazongas' used? I don't think I've heard it for about a dozen years or so, but someone at Wicked's got a

good memory for outdated boob terminology, and someone else at Wicked's got a good contacts book, because the big-norked sploshers on display in this flick are all exactly what the doctor ordered! Curvy Latina Autumn's first up, strolling over to her fella and jiggling her knocked-in his face before the lucky lad gets stuck into her furry snizz. There's some nice reverse cowgirl along the way before they're done and Ella, another Latina-type, gets her go. Her pink-nosed puppies bounce beautifully as she takes a length before they get slathered in harr. *Mayfair* occasional Katy-Jayne a welcome sight in the next scene and she doesn't let the old country down! Furry of fanny and buxom of boob, she makes sure her stud and us viewers have nothing to complain about as she works her way towards a splendid pearl necklace. There's a tad more augmentation from Jessica and Reagan to close.

They'd have us believe that George Uhl is having a miserable mid-life crisis as he fantasizes about sex, but I can't see it – he's spend years getting nad-deep in

some of the finest crumpet on the planet! Mind you, after some great opening credits it isn't George in the driving seat, but some young buck getting extremely friendly with Alexis on the kitchen work surface. They're both having a right old time of it before relocating to the sofa for some cowgirl action of every variety before he drops his load on her firm tum. George has to sit out the next scene, too, as Cindy and Lovita share a cock in a corking threesome. Finally it's George's turn in the sun, as he hooks up with Cindy for a nicely shot knobbing that culminates in a creampie for the randy minx. Long haired Vinna takes on a couple of eager woodsmen and accommodates them every which way before getting a double slathering of nut butter. Some bum fun for MILFy Brittany round things off nicely.

SEDUCED BY MY BEST FRIEND

Well here's another *Mayfair* favourite putting in a turn in a furtive flick – our very own Sibyl! OK, she's renamed herself Sybil

now (ahem, honestly, it's not that we got it wrong when she first appeared) and is joined by redheaded Jia Lissa (wrongly named on the sleeve, so we're not the only ones) in this classy all-lesbo offering that features not one single girl doubling up in two scenes. There are no toys involved – just fingers and tongues – so this probably won't do it for your out-and-out raincoater, but if it's a spot of nice, old-fashioned tasteful lesbiage you're after, you could certainly do a lot worse, with Luna and Rebecca probably the pick of the crop. Available from your local sex shop.

We don't want to alarm you, Sam, but it rather looks like some mucky little creature's been walking all over you – you might want to make sure you haven't got some sort of pest infestation...

"Hey, those are the paw prints of my cat, Marvin! I had a tattoo done a few years ago to ensure that I'd never forget him, although I'm glad to say he's still going strong!"

Oh, so are you some sort of mad cat lady then? Erm, not that we'd mind that much.

"No, I don't think so, but he's good company when I haven't got anything better to do..."

Well if you ever get fed up with Marvin, we're sure plenty of readers would be happy to take his place!

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

My husband William and I may seem like a nice, normal, everyday couple, but there's a secret side to our life too - a side that absolutely nobody knows about. One where I call him 'Sir' and all that matters is his pleasure. I've willingly agreed to this, knowing I can trust him totally. We've done this kind of thing for about 6 years now and it's a way of life that suits us both perfectly. I'm sure that if

anyone found out, they'd think I was mad - or worse, being forced - but I enjoy am a more than willing participant!

At the moment I'm sitting at his computer, typing this letter under his orders. Years ago, he used to bind me to the chair, but most often now he just straps my ankles into a leg-spreader. Even when I'm trying to type, I still have to cater to his pleasures. At one point he had me writing with just my right hand, while I held and

massaged his cock in my left one.

He said I'd be punished for any mistakes - but it's hard enough to keep your work perfect even when you've got both hands and your mind on the job!

He also said I had to finish the letter before bringing him off. As if! When he came - blaming me when he lost control, of course - he spunked into my hand and then ordered me to rub it all over my face. When he caught me licking some off my lips, he told me to stand up so he could spank me for it.

I can call a halt to any game at any time, but I'm proud to say I never have. Well, why would I? It never goes too far and we are both mindful of the other's limits. This time I was standing up, legs held apart by the hard metal bar between my ankle-cuffs,

my wet, naked pussy trembling. My arse was bare and Sir started to spank me, just gently at first, warming my cheeks up with his hand, then hard enough that it rang out and I let out a gasp. Soon he was walloping my firm arse with his palm, alternating between each cheek and making me count them out. When some people play this sort of game, it usually involves the submissive getting the count deliberately wrong to 'earn' more punishment. Sir finds that kind of thing fake and annoying. Instead, he gives me more than the usual six of the best - perhaps 21 spanks or even 39 if he's feeling particularly harsh or horny.

This time was a 39-er and he made me sit right down again, on a hard wooden chair - my arse-

cheeks were glowing red by now, and I was squirming like mad, attempting to get comfy. Sir told me to sit still, knowing full well I couldn't, then he said he was going to give me something worth wriggling over!

He got me standing up again, bending forward over the desk. He didn't touch my arse cheeks this time, just rubbed his fingers around in my slit. I felt my juices ooze out, trickle over my clit, then he started gently working them into my arsehole. I was already so horny, so fired up, but I didn't dare move a muscle or rush him as he set about his work.

Sir was now playing with his cock, wetting it with my juices. I wished he'd stick it in me, soak it that way, but he took his time. I was so desperate for his dick I was frantic when I finally felt the tip of it make contact with my arsehole. He used the first two fingers of each hand, putting them on either side of my ring, massaging and gently stretching me. I let out a squeal - relief as much as anything - as he finally penetrated me. He wouldn't bang in so hard and fast it hurt, but he pushed in slowly and firmly until he was balls-deep in my arsehole. I gasped and groaned every millimetre of the way!

Now he was fucking me, taking his time, but building up until he was screwing my

PENETRATED ME.**

bum as hard as he'd trained me to take him. I heard my juices squelch - every now and again he'd scoop more out of my pussy and slap them on his shaft on the out-stroke. He'd also give me little slaps on the cheeks - not hard, but my arse was so tender from the spanking that it stung, and

wetting his hands made it sting even more.

He gave me the shafting of my life – the only reason I didn't come was because I knew I wasn't allowed to yet, so

I purposefully held back. I knew I would later on, though. He fucked me hard and fast, just the way he likes to, holding my arse to give him leverage. Then, when he knew he was on the brink of spunking, he pulled out and emptied his balls all over my bum – even the heat from his sticky load was enough to sting my sore cheeks.

In bed later that night, he took good care of me, as he always does; rubbing cold after-sun lotion from the fridge into my cheeks and smoothing my sore skin. Of course that gave him another excuse to smear some into my arsehole and screw it again – not that I'm complaining!

I'm going to finish typing now. Sir says I should be punished for taking so much pleasure in what happened before. Of course I can't win – if I'd written about it like I'd hated it (which I never would have as I enjoyed it so much), he'd punish me for being ungrateful. So, as you finish reading this, think of me just after, getting my cheeks spanked to a rosy glow, then having the tight hole in between them buggered by my master's huge, hard prick – and loving every single second of it!

“HE FUCKED ME HARD AND FAST, JUST THE WAY HE LIKES TO, HOLDING MY ARSE FOR LEVERAGE.”

I'm in my second year at university, and this year I got a summer job waitressing in a café in a seaside town near my parents' house. It's a great way to meet new people and earn some cash at the same time. This year I have had a few one night stands with some cute guys who were passing through, but to be honest none of them really did anything except amuse me.

Then, one morning while I was setting up the outside tables, a big black motorbike eased up to the kerb and a tall leather-clad man slid off his shiny black helmet and shook his long hair.

I stood staring at him for a moment with my mouth part open as he swung his leg elegantly over the bike and stood smiling at me. I finally got a grip and managed to smile back at him. He was

handsome and tall, with a beautifully toned body, and I found myself staring directly at his package which was straining at the front of his skin tight leather pants. While he ate I watched him, offering him coffee refills as often as I could get away with it. It was still early, and the café was only just starting to get busy so I hung around

I finished my shift at six and waited impatiently outside the café for him to pick me up. Parking up a couple of minutes later, he held out a helmet for me to wear and I climbed behind him, holding myself tight against his hard body as we roared away from the kerb. He headed out of the busy town and

“AS I STRUGGLED WITH HIS FLY HE SLID HIS HAND UP MY SKIRT AND BEGAN KISSING MY LIPS.”

him, chatting and flirting shamelessly. My work paid off, as Chris (as he turned out to be called) offered to pick me up after work and take me for a ride on his bike.

into the countryside. He seemed to have sussed out the area already because he found a little-used back road a few miles out of the town which led to a ruined

cottage overlooking the sea.

Throwing his jacket on the sweet smelling grass, he sat down and held a hand out to me, drawing me down beside him as I took it.

We snuggled up together, looking out over the sea and enjoying the bright

sunlight. Then my hands wandered to the hard-on in the front of his jeans, and as I struggled with his fly he slid his hand up my skirt and began kissing my lips, his fingers working their way into my panties and starting to push inside my pussy.

Now that I had his cock out, I started to pump it in my fist while he dipped his fingers in and out of my soaking slit.

I was excited and flustered all at once. This guy had the biggest cock I'd ever handled, I couldn't wait for it to be in me, and I began grinding and squirming on his fingers. He moved his face to my stomach and began lightly kissing his way upward, opening my blouse and freeing my tits from my bra before kissing and licking my throbbing nipples.

With my fingers still wrapped around his swollen shaft, he rolled me onto my back, and, hiking my skirt up, dragged my panties off. The grass tickled my arse as he bent and licked my pussy, teasing my labia and clit with his fingers and tongue.

I was close to the edge of orgasm when he pulled my legs up and over his shoulders, and, parting my juicy labia he penetrated my pussy with his darting tongue.

Trembling as he ate me I felt my orgasm approaching and as I came I pushed my butt harder against him. To my surprise and delight he gently began fingering my anus as he lapped furiously at my pussy.

Slowly I relaxed my anus, allowing his finger to penetrate my rear entrance, until it was all in, the whole finger, inside my twitching bum. I started to hump his finger vigorously but Chris had other ideas. He sat up, and mounted my soaking pussy, teasingly rubbing the head of his prick along my slit while I begged him to fuck me. And he did. I could feel his thick cock throb and pulsate as he slowly he slid in and out, picking up the pace with every stroke.

As his fingers teased my clitoris I moaned gently and he eased his big cock deeper. At this point I abandoned myself

totally to the pleasure and excitement of being out in the sunshine in such a beautiful and remote place, being fucked hard by this handsome stranger, and on a crazy whim I dislodged his cock from my pussy and pressed back so that his bell-end was nudging against the rim of my arse. I didn't really give him much choice.

He gave a whistle of approval and allowed me to guide his thick

pole further inside my rear entrance. It felt great, and I pushed back and forth impaling myself deeper on his hard cock.

From inside my back-passage I could feel his cock pressing up against the walls of my pussy, and as it went into spasm I started to come, gasping and then

HE SAT UP AND ENTERED MY PUSSY, TEASINGLY RUBBING THE HEAD OF HIS PRICK ALONG MY SLIT.

suddenly sobbing. Meanwhile, he grasped my hips and began pumping with ever increasing speed. It sent me right over the edge altogether.

As I came he held me steadily against him, groaning with pleasure as my anal muscles gripped hard around his shaft as though trying to milk it. Somehow he held himself back, waiting for me to finish my orgasm.

As my climax began to recede, he withdrew his rod, and before I could catch my breath plunged it back inside my pussy and began fucking it for all he was worth. My back arched and my whole body shuddered as he shot his load inside my quivering pussy, jerking hard twice on top of me as he flooded my pussy with every last drop of come in his balls.

Like I say, working in the café's a great way to meet new people!

Debbie

PHOTOGRAPHED BY ED ALEXANDER

Think of casinos, and most likely you think of some of the world's slickest resorts. Monte Carlo, Las Vegas, and all the playgrounds of the rich offer gaming tables, and so, surprisingly, do a lot of the northern English towns. It might be hard for the more sophisticated residents

of the south east to imagine, but those traditional centres of industry are now as keen on roulette and blackjack as the gamblers of Monaco. Perhaps one reason might be 22-year-old Debbie Illingworth from Bradford who has worked in many casinos as a freelance croupier.

Almost every night Debbie squeezes her 36-24-35 figure into one of her tight evening gowns, like the dress she's wearing here, and drives to one of the north's casinos for six hours hard work.

Debbie finishes work generally at about 4am, which makes her social life a little unconventional. 'I go home, and snatch some sleep, then generally get up around lunchtime. The trouble is that when I feel like meeting people, they are all still at work.' What about the men she meets at the casino? 'I never combine work with pleasure, it gets too complicated,' she replied at once, then her face softens. 'Mind you, there are a few that I'd like to meet away from the tables.' What does she do in her spare time? 'I love driving on the moors, and meeting friends for a late lunch in one of the old stone pubs. It's great wearing old jeans and pumps after a night in the gown and high heels. You'd hardly recognise me.'

Classic MAYFAIR

Debbie Illingworth, a freelance croupier from Bradford? You couldn't make it up, could you? Still, I suspect someone back in 1986 did just that, although maybe they weren't telling porkies...? Who knows, maybe she still frequents those famous stone pubs they have oop north in her pumps? **M**

On Sale October 18th

There's no two ways about it – the heady days of high summer are long gone, and while we're hoping an Indian Summer to give us a final buck up before we're all done for another year you can rely on us to do all we can to keep things sizzling hot in *Mayfair*! It's been a few tads too long since we last hooked up with scrummy Tommie Jo, but we're delighted have been able to lure her back into the studio again – and the results are just as stupendous as you'd expect! And if you think it's been a long wait for TJ, Ana Foxx is back after a five year hiatus, getting rather pally with Milan...
